Hawaiian Music Charms Booster Reporter

The Booster reporter journeyed into the Arion Music Shop at 7925 S. Halsted St. the other day, and was swept away almost immediately by delightful strains of music. The Hawaiian instructor, connected with the store, was amusing himself with a string guitar. In our travels the reporter has heard considerable Hawaiian music both on records and sheet music, but, folks, he wishes to tell you that there is certainly some difference when it is played by a real live Hawaiian. He is sure that Mr. Lyons would be only too glad to have you come in and visit his instructor and as far as the reporter's personal recommendation goes, all he can say is that he is considering very seriously a trip to Hawaii for his vacation.

BRING JACK JOHNSON HERE IN CUSTODY

Jack Johnson, Negro pugilist and former heavyweight champion of the world who has been a fugitive from the United States for eight years, will be returned to Chicago this week. He surrendered to Federal authorities in San Diego, Cal., yesterday after a sojourn of three years just across the Mexican border. Johnson was taken to Los Angeles last night and probably will start today for Chicago.

RAILROAD STRIKE NOT PROBABLE

Reports from ten cities show a general attitude towards acceptance of the wage increases awarded railroad employes by the United States Railroad Labor Board.

In addition to the $600,000,000 wage increases offered, $140,000,000 will be paid in back pay to the railway employes in compliance with the retroactive clause dating back to May 1st.

F. O. I. F.; Robert Emmett Branch

The next regular meeting of this branch will take place at St. Anne's Hall, 55th and La Salle Sts., Wednesday evening, August 4th, 8 P. M. A very elaborate program is promised by the orator consisting of the following splendid talent: Hon. Wm. E. Mason, congressman-at-large, will speak on the League of Nations and the Mason bill still pending in congress. The young ladies of St. Martin's Parish under the leadership of Miss Lillian Reiter will sing the Star Spangled Banner and other popular songs. Miss Margaret Keyes of the Irish Choral Society will sing some of Chauncey Olcott's latest and best and Mr. Edwin A. Smith of Auburn Park will give selections from Fiske O'Hara. Paul Dillon, the champion dancer of Ireland, will dance the beautiful dances of his native land. The music will be furnished by Prof. Wm. McCormick on the bag pipes and the accomplished Miss Theresa Geary on the violin. Ice cream and cake will be served by the ladies and over one hundred new members will be initiated. This is the most pretentious program ever given by this progressive branch and we invite all liberty loving Americans to come and join us in getting recognition for a brave little nation that is fighting against great odds for the same kind of government that we enjoy in our own beloved country.

BERGER, TWICE OUSTED BY CONGRESS, TO RUN AGAIN

Victor L. Berger, Socialist, who was twice refused his seat in Congress after being elected from the Fifth Wisconsin District, was selected by his party to run at the election in November. Henry H. Bodenstab, who was defeated by Berger last year, is again seeking the Republican nomination.

CARL WANDERER TO MAKE PLEA IN COURT TODAY

Lieut. Carl Wanderer sits in his cell in the county jail and refuses to be interviewed—a situation held by some to be a public blessing. His "silence," he says, is on advice of the lawyers appointed to represent him, Benedict Short and George Guenther. They conferred with him Monday and gave him a ray of hope, he told the jailer. What his plans are when he is arraigned this morning before Judge Hugo Pam he will not state.

That he will plead not guilty today and force the state to fight to hang him is expected.

Many letters are being received by him. Some express sympathy and belief in his innocence. Many tell him that it will be a pleasure to the writer to read of his death on the gallows. He reads each and tosses it aside with a laugh.

STIGALL'S LAXATIVE ASPIRIN CAPSULES
...FOR...
COLDS, LA GRIPPE AND RHEUMATISM
- CONTAINS NO QUININE TO AFFECT THE HEAD -
PRICE 25 CENTS
W. J. STIGALL, - CHICAGO, ILL.

Laxative Aspirin Capsules are the best known remedy for Cold, La Grippe, Rheumatism and Headaches. Does not affect the head like quinine. In treating a cold it is very important that the bowels move freely every day. These capsules move the bowels gently without griping.

Dose: One capsule every two hours until four doses are taken, then one every three or four hours until entirely relieved.

For severe headache take two capsules and repeat in one hour, if necessary. Two capsules are generally sufficient to relieve the most obstinate case of nervous or sick headache.

When buying Laxative Aspirin Capsules, look for the trade mark and be sure you get the genuine.

For sale by all leading druggists.

Hammond Man Hurled From Car; Out $1,800

An agitated man dashed into the Englewood police station Sunday night and told Sergt. Duffy he had left Hammond, Ind., early in the afternoon with two brothers whom he knew well and that upon reaching the city they had pitched him from their automobile minus $1,800 in rings, pins and assorted trinkets. Late last night the Englewood police arrested George McLain of Hammond, who was identified by Mr. Frier as one of his former friends.

Mrs. Blanche Hudson, who formerly resided at the home of Mrs. Anna Miller at 7754 Sangamon St., was married on the 1st of July to Charles Maierhofer at the parsonage of the Rev. Mr. Murray at 55th St. and Union Ave. The bride was attended by her nieces and the groom by old friends. Mr. and Mrs. Maierhofer are temporarily residing on the northwest side until their new home is ready for occupancy.

Office closed from August 1st to August 30th. Dr. W. J. Thayer, 633 W. 79th Street.

Real Estate Firm Reorganizes

About a week ago, announcement was made in the Booster stating the separation of H. J. Schubert from the real estate firm bearing his name, H. J. Schubert & Co., 808 W. 79th St. Mr. Schubert's co-partners Messrs. Berry and Mullenix purchased his interests and will continue the business under the name of Berry and Mullenix.

Mr. Berry is a full-fledged real estate and insurance man of eight years experience at his present location. He is a graduate of Notre Dame and the University of Wisconsin.

Englewood Y. M. C. A. Busy In Summer

Camping, Gardening, Kite Making Activities Keep Office and Boys Busy

Though the Hi-Y work is at a low ebb during the vacation days, the Englewood Y. M. C. A. is by no means in a period of inactivity.

These are the camping days, and the sounding of the call to the woods and lakes has been one of the things that has kept the little office at 63rd St. and Harvard Ave. very busy. Six boys have gone to the cherry picking camps on Sturgeon Bay in Wisconsin. Every Monday a new group of boys go to the Y. M. C. A. boys' camp near Blue Lake in Michigan. There is still room at the Michigan Camp for any number of boys of 12 years or over and should you have a boy to send get in touch with the Y. M. C. A. immediately. One group leaves Monday morning, July 26th, and the last group leaves Monday, Aug. 2nd. Two-thirds of the boys who went with the first group for the two week period are staying another two weeks because they like it so well.

The promotion of gardens is another task which these summer days brings on. A secretary is out daily, inspecting gardens and giving the gardeners help and advice.

In the summer days boys love to make kites and fly them. Hundreds of boys from every corner of Englewood have come to the Y. M. C. A. at 63rd St. and Harvard Ave. to get sticks and paper. It has been a pleasure to meet these boys and help them as they make these kites. Some of the older fellows are making model aeroplanes. The observer can only say that the boys make very fine flyers of all kinds, shapes, colors and designs.

Improvements in the club room and plans for the heavy winter work all take up much time. Englewood Y. M. C. A. is very busy in summer as well as winter.

Alpha Chi Entertained At Morgan Park

Thursday, July 15th, Mrs. Mabel Roginson, formerly of Englewood, entertained Alpha Chi of Delta Alpha Sorority, at her home in Morgan Park. Mrs. Maude Austin was pledged Delta Alpha at this meeting. The guests of the evening included Mrs. Lida May Sinex of Martinsville, Ind.

This Sorority was chartered in Englewood and has just celebrated its sixteenth anniversary.

"Main O" Chief Gets Call of Interest to Him

When Louis Heuser, who runs the "Main O" switchboard at the fire alarm office, picked up the receiver last night it wasn't a fire call, but his wife on the other end of the wire.

"That you, Louis? Well, there's burglars in the house. It's all lit up."

Mrs. Houser runs the Ideal Lamp Shade Co., 3129 Lincoln Ave. She had been out for the evening and when she got home she surprised the thieves. They got away with several hundred dollars' worth of silk trimmings for lamp shades.

Englewood Times Man Will Go to Iowa City

Mr. Homer Clemmons, advertising representative for the Englewood Times for the past eight years, will sever that connection to accept a position with the Republican at Iowa City, Iowa.

During his sojourn in Englewood Mr. Clemmons has made a host of friends, socially and commercially, has been a live, energetic business getter for the Times and a fair competitor in the advertising field.

Greater opportunities offered in the new field were of such magnitude that the change could not very well be avoided.

Mr. Clemmons will leave next week and his family will follow shortly.

Second Period of Scout Camp Now On

66 Scouts Fill Camp Ken Jockety, Southwest District Camp Boy Scouts of America

The first period of camp closed July 7th, and on July 19th, sixty-six Scouts took the train for Diamond Lake Camp.

The feature of the first period included a minstrel show on Thursday evening, July 15th given by the Scouts themselves. A hike around the country; also a hare and hound chase took place on two days. Stunt night was attractive. Stunts were presented by tents.

A physician from Libertyville makes regular visits to the camp on Tuesdays and Fridays to attend any injuries, illness, etc. The first period was free from any illness. The main ailments were cuts and bruises.

The second issue of the camp paper is out and is full of interest. In it is the story of the baseball games won by the camp.

A very few places are open for Scouts in the third and fourth periods. Register at District Headquarters at once if you wish to go.

Mr. Mullenix came to Chicago three years ago from Missouri where he has been active in business for a number of years. He has served in many responsible political positions and has been graduated from the University of Missouri and the University of Chicago, where he was valedictorian of his class. Mr. Mullenix was admitted to the bar in February, 1920.

With the education, ability, honesty and experience of these two capable men, we have no doubt that the firm of Berry and Mullenix, at 808 W. 79th St., will be a success.

Local Tailors Retire—Will Move to Coast

Messrs. Joe Joseph and Julius Grossman, who for the last twenty years have been engaged in the tailoring business in Englewood, the latter part of which time they occupied the site at 722 W. 63rd St., have retired and are leaving with their families for Los Angeles, Calif.

Englewood has grown to a populous district since they started in business here and the name Grossman has become synonymous with tailoring throughout the Englewood district. Mr. Grossman started in a modest way in the old Holmes Castle at 63rd and Wallace Sts., which is one of the landmarks of this district. Later as the business grew he took into his partnership Mr. Jos. Joseph, his brother-in-law, who had previously been in business in Mobile, Ala., when they moved to the present location. Here the business prospered until it became one of the leading tailoring establishments of this community.

About a year ago Messrs. Joseph & Grossman decided to retire and with this determination in mind they disposed of their real estate holdings in the Englewood district and made preparations to move to California, for which place they will leave on July 25th.

During their sojourn in this locality they have made many friends both in a business and social way, all of whom wish them the same unbounded success in their new surroundings as they found here.

Koehler-Schwatal Pretty Wedding

One of the prettiest weddings seen in Englewood for some time was that of Miss Ella Caroline Koehler of Kewaunee, Wis., and Mr. Joseph William Schwatal, Jr., of this city, which was held last Saturday evening, July 17th. The couple immediately left for their honeymoon to Kewaunee, Wis. Mr. Schwatal is the well known Englewood violinist.

Daily Vacation Bible School

The D. V. B. S. of the Auburn Park Federated Church, the first D. V. B. S. attempted in Auburn Park has proven a splendid success. The enrollment is near the 160 mark. The whole community has become very much interested. During the past week many took occasion to visit the school and it is hoped that more will feel free to visit us this week. Those who have visited the school have been pleasantly surprised at the work being done here.

On Friday last the school was taken out to Jackson Park on a picnic, quite a number of the mothers of the children joined the boys and girls on this occasion.

It is planned to complete the work of the school this week and on next Sunday evening, August 1st, at 7:00 P. M., the final program will be presented in our church located on the corner of 77th St. and Normal Ave. On this occasion there will be a general exhibition of the work of the school. A very interesting and entertaining program is being planned. No one who has attended this school, nor his parents can afford to miss this program. Everybody is invited to come and see what has been and can be done by the children of the Daily Vacation Bible School.

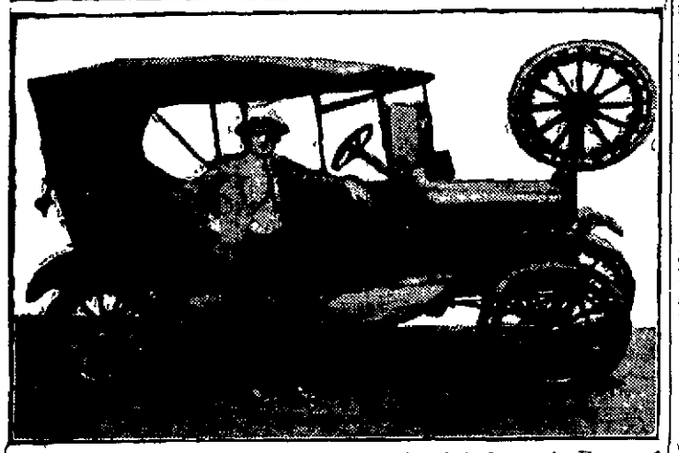
AUTO EQUIPPED WITH TIRELESS TIRES



No more blowouts, no more punctures, is what James A Horne of Denver, Colo., promises auto owners. He is shown here with his car equipped with "tireless tires," Mr. Horne's invention.

The tire is puncture proof, of the resilient type and can be manufactured at about one-half the cost of the pneumatic tires. It is contrived in parts so that when one section becomes out of order it can be replaced by another part. These sections are carried in the ordinary auto tool box. The upkeep cost is about 60 per cent of that of the pneumatic tires.

Mr. Horne believes his invention will revolutionize the tire-making [illegible]

Flamingo Nearing Extinction.

The flamingo's happy hunting ground used to be throughout Florida and many lovely members of its family could be met with in the other hot countries. Very few of them are left now, however, anywhere in this country and many bird lovers predict that in a few years more they will have been killed off until they will be extinct.

Roughing It.

Robert and his father were stranded one night out in a country district. Their car had broken down and they were obliged to stay all night in a humble little home. Everything was strange to Robert, who was strictly a city child. When he returned home I heard him tell his little neighbor friend: "Say, it was great! We slept on a feather bed and washed in their dishpan on the back porch."

"Mother Shipton" Hoax.

Mother Shipton was reputed an English prophetess of the time of Henry VIII. She was first heard from in 1641, when "The Prophecie of Mother Shipton" was published anonymously in London. In 1862 Charles Hindley reprinted a life of Mother Shipton, originally published by Richard Heady (London, 1684). He added some doggerel of his own and wound up with the prophecy that the world would come to an end in 1881. In 1873 Mr. Hindley acknowledged that the verses were a hoax.

PROMINENT REAL ESTATE DEALER IS DROWNED

Indian Diver Seek Body of Thomas J. Campbell, Lost In Lake Geneva

Thomas J. Campbell, well known real estate dealer, with an office at 6241 S. Ashland Ave., was drowned Sunday while fishing from a rowboat in Lake Geneva.

Mr. Campbell had gone to the resort with his son, Harold T., and son-in-law, John A. Dailey, intending to buy a summer home. The three went out for a little fishing; the waves became rough and their boat tipped over. All three went down, but the two younger men were rescued by onlookers after doing all in their power to save the older man. The body had not been recovered up to Wednesday morning, although one hundred pounds of dynamite had been set off. An Indian couple from Stillwater, Minn., known as Indian John and his wife, famed for their ability to locate bodies which are lost in the water, and two divers from Chicago are seeking the body now.

Mr. Campbell resided at 6042 Marshfield Ave. and is survived by the widow, two sons and two daughters.

Mr. Campbell had been a resident of Englewood for many years, one of the pioneer builders in this section and has been a moving spirit in community development during his lifetime. He was a charter member and one of the organizers of Father Perez Council, K. of C., and a number of other societies.

CITY CREDITORS RUSH FOR I. O. U. CERTIFICATES

Promises to Pay Issued to Keep Cash On Hand for Pay Roll

Certificates of indebtedness in which the city publicly acknowledges its unpaid bills and frankly adds that it has not the money to meet them at present, were issued yesterday for the first time since 1912.

"They're issuing scrip in the controller's office," was the word that flew about the city hall.

There was a general rush of real estate experts, attorneys, and contractors to put in their applications for certificates. The rush is expected to grow today, as the city owes upwards of $1,200,000 for supplies and materials alone, Mayor Thompson having ordered payment of these bills deferred until next year to insure money to pay the firemen, policemen, clerks and others.

Denies Certificates are Scrip

"The certificates are not scrip," City Controller Harding declared. "Scrip is money. These certificates are not money and do not pretend to be. When the city's creditors are waiting for their money until next year it is only fair for the city to acknowledge the debt."

At the controller's office it was said that on certain certificates issued yesterday "money was loaned at the banks up to 100 cents on the dollar." One of the first certificates signed by Mr. Harding was made out to Arthur S. Merigold, a real estate expert, for $14,000.

Difficulties Loom With Banks

It is said that several of the city's largest creditors made arrangements with certain bank to have the city's paper discounted before Mr. Harding consented to issue the certificates. On the other hand, it was pointed out that since in the certificates the city makes no promise to pay on a date certain, banks will have difficulty in listing this paper among their assets.

"These certificates will be issued to all creditors who want them," Mr. Harding said. "I do not anticipate certificates will be issued on more than one-third of the bills the city owes."

On the back of each certificate is a blank form providing for its assignment in case the holder succeeds in selling it.

The certificate was prepared by Assistant Corporation Counsel Leon Hornstein after the city council finance committee had refused the controller's request that he be allowed to issue scrip.

His Modest Request—The great pianist at a drawing-room function was clearly annoyed. "I do not ask," he said, "that you moderate your conversation to the point where you can hear me play. That, perhaps, would be too much. But in order to do myself justice I must request that you allow me to hear myself."

He resumed his playing amid deep silence.—Boston Transcript.

Company—"It would be tough to be a fool but for one thing."

"What is that?"

"There are plenty of other fools to go around with."—Detroit Free Press.

No Duplicates—Myles—Any duplicate things at your daughter's wedding?

Styles—I think not. We have looked very carefully over the shoes thrown and found no two of them mates.—Yonkers Statesman.

Always on the Job—"Senator Spug is quite an orator, isn't he?"

"Yes. Can't make a motion to adjourn without the most impassioned gestures."—Boston Transcript.

She Took Them—"I don't know whether I like these pictures or not," said the young woman. "They seem rather indistinct."

"But you must remember, madam," said the wily photographer, "that your face is not at all plain."—Boston Transcript.

$50 BONUS FOR SHORT COURSE OF STUDYING

Course In Dressmaking Makes Money for Number of Students

"I am more than pleased to let you know how well I am getting along with dressmaking since taking your course . I can stay at home and make a good living at this work, and all I knew of dressmaking before, was what I picked up myself I am recommending your course to all my friends—several have promised to come soon," writes a woman who lives on 69th St to Sara Patek, principal of Valentine Colleges of Dressmaking, ladies' tailoring, pattern cutting and designing located at 6205 S Halsted St and on the North Side and West Side

Sara Patek, Principal Valentine Colleges

Drew $50.00 Bonus

Another woman, a school teacher in Oklahoma, writes ". . Upon returning home and presenting my diploma and credentials showing the work done at your school, the School Board awarded me the $50 00 bonus allowed us for work done during vacation at other schools; now I am lined up for the maximum salary"

These two letters picked from hundreds received show actual dollars gained by a few hours of study at this practical school of training in a useful art

Would you avoid the annoyance and risk to your valuable dress goods attendant upon the work of a poor dressmaker? Would you save the expense of a high class dressmaker that costs so much these days?

Will Train You for Your Own Business

Would you like to be able to earn big money sewing for others or teaching others to sew?

You can accomplish any or all of these ends by taking up one of the courses offered by the Valentine Colleges where they teach pattern cutting, designing, sewing and dressmaking in various courses, ranging from a short low priced course that equips women to make their own clothes to a full and detailed course that fits you to do designing and dressmaking as a business

Classes Day and Evening

Classes are held day and evening in three hour sessions, mornings from 9 to 12, afternoons from 1 to 4, five days a week and evenings from 6 to 9, two evenings a week Regular attendance is not necessary The pupil may regulate her own attendance Each pupil receives individual instruction and lectures are given at regular intervals at each school The pupil may, if she so desires, do work for herself, her family or customers during her course of instruction and in that way reduce the cost of tuition

Ten Years Teaching System

Sara Patek, principal of Valentine Colleges has served in that capacity for ten years Starting on the West Side, she opened the college at 2407 Madison St. and built up a flourishing business among the local residents Through the satisfaction and assistance given to her pupils the fame of the school and its principal spread and in a short time students were attending from all parts of the city. For the greater convenience of her South Side patrons Miss Patek opened up the school at 6205 S Halsted St and made that address her headquarters Here the pupils have the benefit of her personal experience and teaching and this school only three years old, now outranks the other branches in numbers of pupils.

Miss Patek, by reason of her long experience, is an excellent teacher Her unparalelled patience, courteous attention and sympathetic understanding of the student's difficulties enables her to make an excellent dressmaker and designer of a student who previously knew nothing of this work.

You are invited to meet Miss Patek personally if you wish and visit the school to become acquainted with the manner in which the training is conducted

Miss Patek will be pleased to give you any information you desire Just telephone her at Wentworth 446 any time

Ticket Not Filled Out

There was a new baby in the corner house, and the proud parents had sent out announcement cards to friends and neighbors Mary who lived in the same block, was anxious to see the new baby, and was waiting impatiently for the time to come when she could go One afternoon at another neighbor's house she saw that she, too had an announcement of the baby's arrival. "Oh, did you get a ticket to see the baby?" she said "We did, but it didn't say what day to come"
